GAMA and PMMIC Partner to Provide Tank Insurance to Texas Members

URBANDALE, IA, March 26, 2024 ---Greater Austin Merchant Cooperative Association (GAMA) has announced its partnership with PMMIC Tank Insurance to provide members a better solution for their underground storage tanks.

PMMIC specializes in pollution liability insurance and was created and is owned by current and former petroleum storage tank owners. They have worked in Texas since 2015.

Peter Steger, Director of Business Development at PMMIC Insurance, commented, "We are so excited for this partnership with GAMA. This collaboration represents a significant step in our relationship to delivering innovative solutions and coverage to owners and operators."

GAMA is a cooperative community/membership-based trade association in the Convenience/Gas and Wholesale/Distribution Industries within central Texas. Since 1999, GAMA has worked to equip business owners with bulk purchasing power, and industry knowledge and connections to strengthen their business models and practices.

Shane Walker, Chief Operating Officer at GAMA, stated, "We know how important quality insurance is for our owners and operators. PMMIC's focus complements our mission and with this partnership our joint efforts will bring great value."

PMMIC Tank Insurance will be an exhibitor at the 2024 GAMA Convenience Retailers Expo in Austin on March 26.
